Deltasonic Eco-Line

Ultrasonic bath with display

Applications :

The **DELTASONIC Eco –Line** range of product has been developed for all areas of applications requiring an efficient, fast and thorough clean.

This range has been specially designed for easy use with an ergonomic interface.

The **Deltasonic Eco-Line** range allows to work on fragile watchmaking pieces, glassware in the laboratory and industrial mechanical parts...

Strong structure
Stainless steel with a perfect sealing

Ultrasonic optimized distribution
By the arrangement of Piezo transducers

User-friendly and nice design
New user interface

Large range of capacity

Standard single frequency: 28 Khz
Other frequencies on request.

Reference	Effective Power in w	Dimensions in mm
ED07	50 W	152X87X65mm 0,7L
E420HT	150 W	238X138X150mm 4L
E620HT	200 W	302X152X150mm 6L
E1320HT	400 W	302X240X200mm 13L
E1820HT	600 W	498X296X150mm 18L
E2720HT	600 W	498X296X200mm 27L

Each bath comes with a stainless steel basket, a drain valve
Mechanical display of the time and heating
